

Reinstatement Policy

The Reinstatement Policy lets former members rejoin and recover their certification. The process can occur at any time during the year. The reinstatement process is for you if you are a previous member who wants to rejoin as a Certified Member or if you are an Alumni Member who want to switch to a Certified Member.

Note:

- The reinstatement process is the same for all disciplines.
- If you who want to rejoin PSIA-AASI and do not want to pursue or maintain your certification you can do so as an Alumni Member (if you meet the qualifications) or as a Registered Member and bypass the reinstatement process.
- If you are an Alumni Member and want to change your membership status to Certified Member, you must follow the reinstatement process and pay 50 percent of the reinstatement fee due.
