**Industry and PSIA/AASI Involvement:**

I am a 20 year member, with more than 10 years experience as the director of a snowsports school. I have been a board member for several years, serving on a number of committees, including as the Chair of the Snowboard Committee for the last several years. I am a current Snowboard DCL (Division Clinic Leader) and Examiner, and the Snowboard Liaison to the Alpine Technical Team. I work closely with the Tech Team Head Coach, Certification Vice President, Education Vice President, and the Executive Director of the NW Division to develop training goals and focus for the snowboard discipline in the division, monitoring and improving the exam process, and producing quality products for the snowboard members within the division. I also serve as a member of the Snowboard Task Force for the National body of AASI, and have attended National Fall Conference as the Snowboard Representative for the NW.

**Reason for wanting to serve as Member School Representative and/or on the PSIA-NW Board of Directors:**

I want to contribute to the division in a positive way, providing a voice for not only snowboard members or Spokane Region members, but for the larger membership of the NW Division.
