Industry and PSIA/AASI Involvement:

I am currently a Level 3 Staff Trainer at Fiorini Ski School. I also hold a CS-1. I am currently on the Board of Directors for the NW-Division and have served many years there. I currently am working on a National Committee to help update and improve Instructor Awards. Former PSIA-NW DCL. I have attended more PSIA Education events in my 30 years as a member than I can recall. Formerly a Mountain Ambassador for Rossignol Skis and Native Eyewear.

Reason for wanting to serve as Member School Representative and/or on the PSIA-NW Board of Directors:

As a long time member and instructor I originally ran for the board to directors more support to instructors and the education offerings within the division. I have seen many positive improvements over the years and have been a big supporter of PSIA-NW for many years. I would like to continue to share my passion for Teaching and support the direction of a more user friendly organization for all
