Industry and PSIA/AASI Involvement:

I have been active with PSIA-NW for the last 32 years as an instructor, supervisor and director of Olympic Ski School. I have also served on the PSIA-NW Board of Directors for 14 years and have served as Executive VP for the past 9 years. I am very involved with the scholarship committee and have run the Symposium Raffle/Auction for the past 14 years. I have also served as the Region I Member SKi School Director for many years during which time I have worked hard to get information out to all of the Region 1 directors.

Reason for wanting to serve as Member School Representative and/or on the PSIA-NW Board of Directors:

I think that the member ski schools need to have good communication with the PSIA Board and with each other. We had our Region 1 meeting on October 6th and discussed some really important topics that affect all the schools in our region. I am planning to send a review of that discussion to all of the Region 1 directors soon.
